The following EH&S courses must be completed prior to requesting access to the Washington Clean Energy Testbeds (WCET) (other EH&S trainings may be required, depending on the nature of the work to be performed):

Training Requirement	Date Expires	Date Completed
Fire Extinguisher Training		
Managing Lab Chemicals Online		
Fume Hood Training Online	N/A	
Lead Awareness	N/A	
Globally Harmonized System / HazCom	N/A	

**Laboratory Specific Training:**

All WCET Users must complete a General Safety and Procedures (Lab Orientation) training prior to gaining access to the Scale-up and Characterization Lab. The following topics will be covered during this training.

<b>Laboratory Safety Specific Training</b>	
<i>Have you received the following training:</i>	<i>Date</i>
Orientation to the content and location of the Chemical Hygiene Plan, including: <ul style="list-style-type: none"> <li>• UW Laboratory Safety Manual</li> <li>• Laboratory Specific Standard Operating Procedures (SOPs)</li> <li>• Other laboratory specific information</li> </ul>	
Materials Safety Data Sheets (MSDS/SDSs) and other safety references	
The hazards of the workplace	
Requirements for Personal Protective Equipment (PPE) and how to select, don, doff, and maintain it	
How to segregate and safely store chemicals in the laboratory	
Proper disposal of all laboratory waste	
Other general lab practices	

Users of the WCET are required to follow all safety precautions and user procedures. Failure to follow these requirements could result in serious injury to personnel and damage to equipment and will result in the following actions being taken:

Minor Safety Violation	Violation documented in user's safety training record along with any training conducted to prevent any further violations.
Major Safety Violation <i>or</i> Repeated Minor Safety Violations	User will meet with Dr. Michael Pomfret and the WCET staff to discuss safety violations. Access to WCET may be temporarily or permanently suspended.

Upon completion of all training, user's must sign below acknowledging that they have received the required training and understand the WCET Safety Policies:

User's Signature: \_\_\_\_\_ Date: \_\_\_\_\_
